

Stancill's Guitar Studio

10535 Metropolitan Avenue

Kensington, Maryland 20895

Since 1994

General Policies and Schedule of Fees

General: This studio specializes in private and ensemble/band instruction for guitar, bass, piano and keyboards, voice, drums, and music theory. Instructors are chosen based on their long-term teaching and performing experience as well as a longstanding relationship with the owner. Each is also committed to maximizing a student's potential on an individual basis. Weekly classes are intended to promote the student's development throughout each stage of their personal development in mental concentration, musical skill, and self-confidence. Participation in performance opportunities is highly recommended, however, such participation is not required to maintain enrollment. Lessons are available year-round and must be scheduled consecutively in advance. Arrive and depart punctually. Lessons are often scheduled back-to-back therefore don't expect to receive a full-length lesson if you arrive more than 5 minutes late to a class.

Tuition*: Minimum commitment period is four lessons. Fees below are **due at the first lesson of each period** and are non-refundable. ***Late fee is \$10. Cancellations:** If you wish to reschedule a lesson contact the studio at least **48-hours before** your appointment. Make-ups for cancellations made in less than the 48-hour requirement will only be permitted in cases of severe illness and hazardous weather conditions. In any case, the lesson which has been rescheduled must also be attended within 7 days of the original class date or you must forfeit the lesson.
